

PK-8 Family Engagement Plan For Murchison ISD

The Murchison Independent School District (MISD) believes that all parents, teachers, and community leaders are a “valuable link” in the educational success of all students. We promote the involvement of these key stakeholders by having them take part in the process that allows them to contribute by providing input to the efforts of providing services that maximizes the quality of education for students in MISD. We have established a family engagement plan to increase the collaboration between all stakeholders. The active participation of parents, teachers, business and community leaders in all aspects of students’ education is a valuable tool that the Murchison ISD welcomes and respects at all times.
