

Welcome to Murchison ISD!

As the new Superintendent, I want to welcome our returning students and parents back for another amazing year. To those new to the MISD family, I look forward to meeting you and helping you have a successful educational experience. You have made a great choice in joining our outstanding district!

It is my goal to continue the traditions that have made MISD the exemplary school that this community is accustomed to while implementing the changes necessary to become the educational institution that sets the standard of excellence in our area.

The following new district mission statement summarizes the commitment to each one of our students.

**“Murchison ISD will work collaboratively with stakeholders to provide a safe learning environment focused on establishing a foundation of academic, social, and emotional success for all learners.”**

Thank you for allowing our district the opportunity to participate in your family’s educational experience. My door is always open and I welcome your input on how we can continue to provide the best education possible for all MISD students.

Go Eagles!!

Sincerely,

Kimberly Followwell
